FIFTY-FIRST ANNUAL REPORT

New York, April 16, 1962

To the Stockholders of

CAROLINA, CLINCHFIELD AND OHIO RAILWAY:

Fifty-first Annual Report of the Board of Directors, for the year ended December 31, 1961, is submitted herewith:

Under an indenture dated October 16, 1924 the properties of Carolina, Clinchfield and Ohio Railway and its subsidiaries were leased to Atlantic Coast Line Railroad Company and Louisville and Nashville Railroad Company for a period of 999 years from May 11, 1923 at an annual money rental which now and during the remainder of the term of the Lease is 5% on $25,000,000 Capital Stock, or $1,250,000 annually.

In addition to the foregoing money rental, the Lessees agree to pay the interest charges on the outstanding funded debt of and guaranteed by Carolina, Clinchfield and Ohio Railway and on any bonds that may be issued to refund the same.

The Lease also provides that the Lessees will pay all charges and other expenses in connection with the payment of interest, shall pay all taxes upon the franchises and leased property and the income thereof, and shall also pay a limited sum for the annual corporate expenses of the Lessors. All rental payments under the Lease are the joint and several obligations of Atlantic Coast Line Railroad Company and Louisville and Nashville Railroad Company.

The Lease expressly provides that, in case of the issuance of any additional capital stock of the Railway, it shall be stock of a class which has no right to participate in any dividends declared from the money rental above mentioned, which money rental has been fixed at the amount specified for the purpose of enabling the Railway to pay dividends upon the $25,000,000 par value Capital Stock at the rate of five per cent. per annum, and is not intended to be used for any other purpose whatsoever. In consideration of

this money rental, the stockholder agrees with the Lessees that he will vote his stock in such manner as is necessary to carry out the provisions of the Lease from time to time.

The payment of the above-mentioned annual money rental is to be made in equal quarterly instalments, on the first day of January, April, July and October of each year, to enable the Lessor to pay dividends upon its $25,000,000 Capital Stock at the rate specified.

The making of the aforesaid Lease was authorized by the Interstate Commerce Commission on June 3, 1924 (Finance Docket No. 3131).

Possession of the leased properties was delivered to the Lessees on December 1, 1924, and the first payment of the money rental under the Lease was made to the Lessors on April 1, 1925.

Quarterly dividends, at the rate of five per cent. per annum on the Railway's $25,000,000 Capital Stock, were paid out of the money rental received from the Lessees during 1961.

The Corporation is the owner of the First Mortgage Bonds of its subsidiary, Carolina, Clinchfield and Ohio Railway of South Carolina, in the principal amount of $3,000,000. All of these bonds are pledged and deposited as security under the Corporation's own First Mortgage. The maturity date of these bonds is September 1, 1965 which coincides with the maturity date of the bonds of this Corporation presently outstanding under its First Mortgage.

Submitted as a part of this report are a statement of mileage, a summary of the operation of the leased properties, a copy of the consolidated balance sheet, a consolidated statement of income and earned surplus and a description of the funded debt.

For the Board of Directors,

H. R. DENNIS, *President.*
